TESTIMONIALS: "Last August, a number of members from Bronx El Remanente, Mt Vernon Manantial de Vida, Paterson Renuevo, & Brooklyn Renacer, came together for a retreat at Camp Timberledge. We cried unto the Lord for inner spiritual and emotional healing, especially having tragically lost two young men. God spoke through our camp speaker, Pastor Hector Fernandez, resulting in affirmation of God's will and peace for our souls, ready to return to multiplying Jesus' mission" Pastor Joel Guzman

Blessings for you and your family. Thank you for making us part of Camp Timberledge. We are very honored. Attached please find some pictures for you to review and use in upcoming newsletter. What a pleasure is for us to be part of this wonderful ministry!!
